	Issue Date	Title	Current OR	Inventor
1	19860325	Powder charge operated fastening element setting device	227/10	Jochum, Peter
2	19970923	Release mechanism with safety device for compressed-air nail firing tools	227/8	Ronconi, Marco
3	19940816	Powder actuated compression tool	60/632	Lomastro, Joseph A. , et al.
4	19850416	Electrically-operated manual device	227/113	Kille, Ewald , et al.
5	19840313	Apparatus for attaching fastener elements onto a garment	227/149	Seki, Fumio
6	19790116	Powder charge operated apparatus	227/10	Termet, Pierre
7	19990511	High pressure gas operated setting tool	227/10	Melocco, Michael
8	19990706	Pneumatic fastener driving tool and an electronic control system therefor	227/8	Moorman, Charles J. , et al.
9	19971118	Portable fastener driver using inflammable gas	227/10	Dohi, Yuji , et al.
